DRIVING cont....

- Always be prepared to give way to loaded logging trucks. Off highway trucks can be up to twice as long as those on the highway and are significantly wider and heavier. Off highway trucks may travel more slowly and need much more room to manoeuvre.
- Do not drive in a dust cloud – pull over until the dust settles.
- No motorbikes, MTV, quad bikes.
- No horses or bicycles (except in Whakarewarewa Forest)

GENERAL HAZARDS

Please Report new hazards to the Radio Room or Timberlands Limited (07 343 1070)

Remoteness / Working Alone

- Take an effective means of communication in case of emergency i.e. cell phone.
- Advise family/friends of your plans - give them a location and estimated time of return.
- Persons working alone must have a current first aid certificate.

Forest Operations

- Follow all warning signs.
- Do not enter operational areas without permission from the operator.
- Stay well clear of any machinery.

Poisoning Operations

- Do not enter area(s) sign posted as having poison on site.
- Never touch any pellets or paste/flour on the ground or in plant containers
- Refer to the current poison map for locations – supplied by First Security or on www.til.co.nz

Road Washouts

- Drive to the conditions and beware of washouts, ruts and other road obstacles.

Hazardous Trees

- Watch out for hung up trees and branches, falling objects and uprooted trees.
- Avoid unstable and leaning trees.
- Stay out of the forest on windy days.
- Report hazardous trees to the Radio Room or Timberlands Limited

Fire Ponds

- Keep away from fire ponds.

FAILURE TO COMPLY MAY RESULT IN TRESPASS ACTION OR CONTRACTUAL REMEDY
