

TIMBERLANDS

Management Accounting Leader

Timberlands is a leading New Zealand based Forest Management Company with particular expertise in forest management and operations on a significant scale.

Timberlands, based in Rotorua, manage 180,000ha of pine plantations in the Central North Island on behalf of Kaingaroa Timberlands and other clients.

Purpose of the Role:

We are seeking to appoint an outstanding Management Accountant to provide expert financial information and management accounting support to the Timberlands Management Team and the business.

Key accountabilities include:

- Develop, analyse and present management reporting, budgeting and forecasting to managers on a monthly basis and to the Board when required.
- Take the lead on projects where CAPEX's are required
- Provide business support to unit managers on financial matters
- Manage, develop and mentor a small team

About the right person:

Qualifications and experience:

- Tertiary qualified Accountant
- Membership of NZICA or other recognized accounting organization is desirable.
- Three to five years practical experience is necessary.

Skills and competencies:

- Business acumen
- Sound judgement and ability to analyse situations and information
- Collegial, constructive approach, including the ability to foster business relationships
- Leadership and mentoring skills

People make our business at Timberlands, as such we seek to offer an employment package that retains and rewards excellent people. Our employees enjoy working in a professional and co-operative team environment with access to great healthcare and insurance benefits, a flexible work-life culture and excellent professional development opportunities.

This is a full time, permanent position.

If this sounds like the ideal next move in your career - please register your interest by **21 Jan 2018**.
