Container Nursery Assistant

Timberlands Ltd is a Forestry Management Company based in Rotorua in the Central North Island.

We are seeking to appoint a nursery assistant to help with day to day operations in our newly established container nursery at the Te Ngae Rd site. This person will help to grow and prepare pine crops for forest planting at our new and automated container facility.

This position will require the following attributes:

- Be physically capable and willing to work in all weather conditions
- Available for rostered weekend duties
- Able to work independently or as part of a team
- Aptitude for machinery and technology and can maintain a safe working environment
- Positive can-do attitude and keen to learn

Key tasks include:

- Operate equipment and machinery for seed sowing, cutting setting and dispatching
- Assist with tasks such as irrigation, fertigation, weed control, maintenance and cleaning of machinery

Preference will be given to applicants with the following:

- Previous relevant experience and/or qualifications in horticulture
- Growsafe and Forklift certified
