

TIMBERLANDS

Plant Operator

Timberlands is seeking an Operator to join its team at the Kaingaroa Processing Plant, a large log manufacturing plant situated off S.H 38 in the Kaingaroa Forest. The plant runs 24 hours, 7 days a week throughout most of the year utilising a lifestyle friendly 4 on 4 off shift roster. Transport is provided from Rotorua to the plant.

Key tasks include:

- Learning to efficiently operate each of the machine operating stations to maximise productivity
- Understanding and adhering to high standards in health, safety, value & quality
- Working and communicating effectively within a team

Preference will be given to applicants with the following:

- Proven reliability and a good work ethic
- Experience operating machinery in a processing environment
- Demonstrated good H&S knowledge & performance
- Some chainsaw experience (cutting wood under tension)
- Good hand/eye co-ordination
- Basic computer skills or experience operating computerised systems
- Ability to work 12 hour shifts alternating between day and night shift, on a 4 on 4 off roster
- A full drivers licence (desirable)
