

12 August 2019

Dear TL Permit Holder / Road User

---

**Re: New Maximum Speed Limits for TL Roads**

---

Please be advised that the temporary maximum speed limit of 70km/hr on Timberlands roads has been removed and **replaced with the revised limits** in the table below.

**New (revised) Maximum Speed Limits from Monday, 12 August 2019\***

<b>Road Classification</b>	<b>Maximum Speed Limit (km/hr)</b>
<b>Sealed Roads</b> <ul style="list-style-type: none"><li>- Light vehicles &amp; unladen trucks (including with trailers)</li><li>- Laden trucks &amp; all other vehicles towing trailers</li></ul>	90 80
<b>Unsealed 2 Lane Roads - <u>All</u> Vehicles</b>	80
<b>Minor Arterial &amp; Temporary Access Roads</b>	50
<b>Posted Speed Limits e.g.:</b> <ul style="list-style-type: none"><li>• Permanent Restricted Speed Limits (i.e. Webb Road Tunnel)</li><li>• Temporary Traffic Control</li><li>• Temporary Posted Speed Restrictions</li></ul>	As signposted

\*Previous speed limits – no longer apply

**IMPORTANT REMINDER: These are maximum speeds only. Drivers must drive to the conditions at a speed they can safely stop in half the visible distance ahead.**

The key changes are:

- A reduction to 90km/hr (from 100km/hr) for Light vehicles & unladen trucks (including with trailers) on sealed roads.
- A reduction to 80km/hr (from 90km/hr) for laden trucks and vehicles with trailers on sealed roads.
- The unsealed section of High and Low Level roads are now 80km/hr (previously 100 km/hr)

For further information the TL Road Safety Manual will soon be updated and loaded on the TL website.
