

TIMBERLANDS

Invitation for Expressions of Interest Weighbridge Civil Foundation Packages x 3

Timberlands Limited (TL) manages 189,000 ha of plantation forest on behalf of Kaingaroa Timberlands, located in the central North Island with an annual harvest of 4.4 million tonnes.

TL is tendering the construction of three weighbridge foundations at the Kaingaroa Processing Plant (KPP Site), Kaingaroa Forest and the Murupara Log Yard (MLY), SH38 Murupara.

The packages to be tendered are:

- **Two x 30m long weighbridge foundation packages** located at MLY, including the excavation, hard fill and each with approx. 150m³ concrete and 14 tonnes of reo.
- **One x 30m long weighbridge foundation package** located at the KPP site with the above specs plus the removal of the existing weighbridge foundations.

We invite **Expressions of Interest** for these packages. Respondents will be evaluated on relevant experience, health & safety records and available resources. Expressions of Interest forms can be found at www.tll.co.nz.

Selected respondents from the Expressions of Interest will then be invited to move into the **Request for Tender** process which will involve further evaluation.
