

WHAKAREWAREWA FOREST

SC223 GENERAL FOREST ACCESS RULES AND SAFETY BEHAVIOUR FOR PERMIT HOLDERS

WARNING: THE FOREST IS A MULTIPLE HAZARD WORKPLACE

GENERAL

- **ALL vehicles require an access permit.**
- **Fires are NOT permitted - Smoking is not permitted.**
- **In case of emergency call 111.**
- Unless authorised do not cut, fell or remove any live or dead trees, shrubs or other forest produce.
- No firewood collection.
- Keep within the forest boundaries noted on your access permit.
- Always follow instructions of the security (FIRST Security) and Timberlands Limited staff – be courteous.
- If you observe any unsafe or suspicious activity contact FIRST Security 07 347 0297.
- Every permit holder must carry with them photographic identification along with their Access Permit.
- There will be no assignment of permits.
- No additional vehicles brought in on one permit.
- The vehicle driver must be nominated on the vehicle permit – no other drivers are permitted.
- No firearms or hunting.
- All people using the forests must comply with New Zealand law.
- Always be courteous to other forest users.
- The purpose of access will be specified on the permit – no other activity can take place other than the purpose specified.
- Use of chainsaws is not permitted for track maintenance unless separate permission has been obtained by TL.
- No passing on gate keys.
- Follow gate rules:
 - Red – leave locked
 - White – leave as found
 - Green – leave open
- For further instructions and access instructions please refer to your permit, the TL website (www.tll.co.nz).

DRIVING

- **HEADLIGHTS ON LOW BEAM AT ALL TIMES – BE SEEN**
- **Always drive to the road conditions and be prepared to stop within half the visible road distance ahead.**
- Observe the speed limits within the forest:
 - As sign posted (8 Mile Gate and Waipa Bypass)
 - Other 30km/hr or as posted
- The provisions of the New Zealand Road Code must be observed.
- All vehicles will meet Ministry of Transport (M.O.T.) standards for Vehicle Registration, Warrant of Fitness (W.O.F) or Certificate of Fitness (C.O.F).
- Keep left at all times.
- Park safely – as far off road edges as is practicable.
- Always be prepared to give way to loaded logging trucks.
- Do not drive in a dust cloud – pull over until the dust settles.
- No motorbikes, MTV, quad bikes.

GENERAL HAZARDS

Please Report new hazards to the Radio Room or Timberlands Limited (07 343 1070)

Remoteness - communication

- Take a means of communication in case of emergency i.e. cell phone.
- Advise family/friends of your plans - give them a location and estimated time of return.

Forest Operations

- Follow all warning signs.
- Do not enter operational areas without permission from the operator.
- Stay well clear of any machinery.

Road Washouts

- Drive to the conditions and beware of washouts, ruts and other road obstacles.

Hazardous Trees

- Watch out for hung up trees and branches, falling objects and uprooted trees.
- Avoid unstable and leaning trees.
- Stay out of the forest on windy days.
- Report hazardous trees to the Radio Room or Timberlands Limited

Fire Ponds

- Keep away from fire ponds.

FAILURE TO COMPLY MAY RESULT IN YOUR PERMIT REVOKED, TRESPASS ACTION OR CONTRACTUAL REMEDY
